

Zlinkoo PRO Upgrade Guide

Zero-Fee Internal Crypto Transfer Cheat Sheet
Fast • Simple • No Gas Fees

Use internal transfers to upgrade your Zlinkoo PRO account instantly with **\$0 network fees**. Follow the exchange instructions below and upload proof after payment for fast activation.

Option 1: Bybit (Internal Transfer)

Open Assets: Open the Bybit app and tap Assets at the bottom right.

Withdraw: Tap Withdraw → Crypto Withdrawal → Select USDT or USDC.

Choose Method: Select Internal Transfer.

Account Type: Choose UID.

Enter UID: 169378619

Amount: Enter your selected Zlinkoo plan amount.

Confirm: Complete security verification.

Option 2: Binance (Binance Pay)

Open Pay: Go to Wallets → Pay or tap the Pay icon.

Send: Tap Send → Send to Binance User.

Choose ID: Select Binance ID (Do NOT use Email/Phone).

Binance ID: 581137324

Amount: Select USDT/USDC and enter amount.

Confirm: Verify payment.

Option 3: Bitget (Internal Transfer)

Open Assets: Tap Assets → Withdraw.

Withdrawal Type: Choose Internal Transfer.

Select Coin: Choose USDT or USDC.

Type: Choose Bitget User ID.

User ID: 3810521538

Amount: Enter plan amount and tap Withdraw.

Verify: Complete 2FA.

Option 4: OKX (Internal Transfer)

Open Assets: Tap Assets → Withdraw → Withdraw Crypto.

Select Asset: Choose USDT or USDC.

Destination: Choose OKX Recipients (Free Internal Transfer).

Type: Choose UID.

OKX UID: 563144351439049728

Amount: Enter plan amount and tap Submit.

Confirm: Complete Email/SMS/Authenticator verification.

Finalize: Withdrawal is processed instantly with zero fees.

Step 4: Submit Proof of Payment

Take a Screenshot: Capture the "Payment Successful" or "Transfer Complete" screen.

Upload to Zlinkoo: Upload the screenshot in the Proof of Payment section.

Activation Time: Activation usually takes around 30 minutes.

Fast Activation: Send screenshot, username, and email to Telegram or WhatsApp for activation in under 10 minutes.
